This is to confirm that our cooperation with your company since the seventies has reached a level recent years which was desired in regard of quality-delivery-price.

Your deliveries to Italian plants were satisfactory following the successful results obtained during audits conducted by FIAT and your positive technological progresses.

We hope that our business potential of annually 110.000 units as well as your development will go on.

By this occasion we congratulate and thank you for your activities.

Best regards,

Ferruh ARAR
