

NYS221

1/4" jack, long-threaded bushing with washer and nut, full metal

Article Variations

Article Name	Details	Packaging
NYS221	Stereo 3 pole, special designed head for quitar stramp	

Technical Information

Product

Title	NYS221
Connection Type	Jack

Electrical

Contact Resistance	≤10mΩ
Insulation Resistance	>2,000 MΩ(Initial)
Dielectric strength	0.5KV dc 50HZ

Mechanical

Insertion and Withdrawal Force	5-40N
Lifetime	>5,000 Mating Cycles

Material

Jack Housing	Brass
Washer	Steel
Nut	Brass
Ground Contact	Bronze
Plastic Body	PP
Contact	Bronze
Washer	Epoxy-phenolic
Contact	Bronze
Cable Clamp	Brass
Jack Housing	Nickel Plating
Washer	Nickel Plating
Nut	Nickel Plating
Ground Contact	Nickel Plating
Contact	Tin and Cer
Cable Clamp	Tin and Cer
